

LepreCon Fan Table Policy

Fan Tables are complimentary for non-profits or community outreach organizations. If someone wants to sell something for a profit venture, then they have to be in the Vendor Hall. If a convention or fan group wants to sell memberships or merchandise to raise funds to help their parent organization, that's ok.

Fan Table Coordinators must purchase at minimum an Attending Full Membership, but others staffing that Fan Table are encouraged, but not required, to purchase their own memberships. A Fan Table is defined as above; anything outside this definition requires a Vendor Table or Booth.
